Certificate of Completion of Internship

We herewith confirm that from September 30, 2007 to October 20, 2007, Mrs. Tyana Lawless from 6084 Australia, PO Box 12, Western Australia, served an internship with Gestüt Kempke Hof.

During this time, Mrs. Lawless was responsible for the below mentioned tasks:

- responsible feeding of sport horses, foals, youngsters, mares and stallions with roughage and concentrated feed
- responsible care for some of the top-class competition horses including preparation for the training
- responsible lungeing of competition horses
- responsible maintenance of equipment like saddles, bridles, cleaning kit
- daily riding training with Ronald Lüders on advanced level dressage horses

Mrs. Lawless was able to perfectly use and extend her extensive knowledge, not least because of her fantastic, keen perception. In this limited period of time, Mrs. Lawless performed all tasks to our entire satisfaction. Her work ethic was excellent and she was always prepared and capable of accomplishing additional and difficult tasks.

Mrs. Lawless completed her duties with utmost diligence and self-reliance. She perfectly fitted into the existing team. She has a very positive attitude and her superiors, colleagues and customers appreciated her very much.

We thank Ms. Lawless for her excellent co-operation, and we wish her all the best for her future career.
